

## **SOUTH ALABAMA RADIO CLUB**

4-15-10

Tim called the meeting to order at 7:07. Pat made a motion to accept the minutes as presented, Bob seconded. There was not a Treasury report as the treasurer was not present.

### **OLD BUSINESS**

Advanced Spotter Class, mixed reactions. There was a good turnout although there was not any public service representation present. Tim is going to a class in mobile that Greg Sarratt will teach.

### **REPEATERS**

Crestview, No information available at this time. SARC, no significant work done at this time. John has taken extra parts to Bob who thinks that there are enough parts to put together two or three repeaters. Once we have one working repeater it will be put on the antenna as quickly as possible. Opp repeater is back on their original antenna and has good coverage.

### **FIELD DAY LOGS**

John has not yet worked on logs to the QSL format. Log EQF will format and transfer them. Pat has had a return call to confirm the field site as the old Point A Campground. Now known as Sweet home Alabama. There needs to be six camping for us to receive a discount on the camping grounds. Field Day Menu to be discussed later.

### **HAMFEST**

Ft. Walton Beach Ham fest was better than in the past. There were two commercial vendors. Greenville hamfest will be May 1<sup>st</sup> 2010, it will be held in the same place as always.

### **Club custodian**

John Brown will be the club custodian instead of Pat Henegan.

## **NEW BUSINESS**

Tailgate in Pace Fl. 7:30-11:00 at Florida Town Park.

### **Field Day Menu**

Friday will left up to Malcolm and he will take care of the night meal with us providing the side dishes.
