**OLD BUSINESS**

- QSL from Field day was sent last month.
- Dr. Wells is having RF problems on 80 meters 24 hr a day 7 days a week. This started about two or three months ago and seems to be the same noise as a transformer. It does not appear to be internal. John suggested using AM radios to try to find the source of the RF interference. It seems to originate on 2<sup>nd</sup> street about a block east of Dr. Wells house. John is going to try and pinpoint the source before next meeting.
- Tim Trent is no receiving the emails from the club list. John will send his email address to Bob to insure he gets on the club email list.

**ELECTIONS**

- Before voting on the nominees from the last club meeting, John asked for nominations from the floor. Their being no nominations from the floor all nominees were elected by unanimous voice vote. Club officers for 2014 are:  
President: John Brown  
Vice President: Bob Lawrence  
Treasurer: Tim Trent
