

Meeting brought to order at 7:00 p.m. by John. Bob made motion that the minutes be accepted as read, Pat seconded. Tim made a motion that we elect Pat as club treasurer due lack of response and attendance of the current treasurer, Wayne Alday. Bob Sullivan seconded the motion and it was passed with a vote of all the membership attending.

Pat made a motion that we go back to the old way of banking and receiving a paper statement each month. This was also passed; the club will need to type a letter to absolve Wayne as treasurer. This will then be taken to the bank. Pat was elected June 17th 2010. The last reported amount for the South Alabama Radio Club was January 21st 2010 in the amount of \$637.00.

Tim will provide any funds that the club may need this weekend and until we can get the bank taken care of. The South Alabama Radio Club will then reimburse Tim.

Repeaters, No change in the repeater status. John has the amp for the 26 machine at the house. Crestview has had no changes at this time.

Domain Web Page, WC4M web page domain has expired, WC4M.org is available. Pat said that Clay has informed him that anyone could buy the domain page. Pat will take care of this expense and will be reimbursed at a later date.

Field Day, John will print out something for the newspaper, No worries Pat has already taken care of it. The appointment to have the proclamation signed will take place at 2p.m. on Tuesday June 22nd 2010 in The Mayor's office. We also need to contact public officials and invite them to our field day activities. All of the slots that were reserved at the campground have been spoken for. Our Friday night menu will be Catfish fries and baked beans with hush puppies. Saturday Nights menu will be chicken or pork steak, with the fixings.

These people will bring the following;

Chicken or Pork Steak –John and Debra

Paper products—Tim

Baked Beans—Pat

Potato Salad—Bob S.

Bread – Larry

Cole Slaw ---Debra

Ice, Dessert, propane cooker---John

Tea and Lemonade will be served for drinks on Fri and Saturday. Everyone will be responsible for they're on drinks and snack food. There will be approximately 16 over the weekend.

The equipment list follows:

John – Icom 735, Honda generator, all antennas and coax, 24 hr clock, laptop with logging software, MFJ Antenna Analyzer, batteries and charger.

Bob – TS-870 with CW and digital capabilities,

Pat – Icom 718

Jeff – Battery

Everyone needs to bring a roll of nylon line, any barrel connectors and any extra coax they may have.
